

Butterflies Class

Our Focus this Term is: Dinosaurs

Our Learning in Term 6

English inc Phonics	We are exploring books and pictures with fantasy style settings and vocabulary and visuals to describe. We will also look at some poems to support. In phonics, pupils are continuing to follow the programme, learning new sounds and using them and identify them within books, information and the environment.
Maths	For the first 3 weeks, we are exploring money, the value of coins and lots of role play within to support our learning. For the next 3 weeks we will introduce time, exploring clocks and time activities.
Science	Within our dinosaur topic, we are exploring and developing our learning about carnivores/herbivores and looking at habitats, fossils. Towards the end of the term we will be looking at collecting and recording data for summer and the changes we may see and feel throughout.
Computing	Continuing to practise basic computing skills, navigating around a desktop computer when possible and taking digital photos to support our learning.
PE	Sports day practise – developing our teamwork skills, turn taking skills, athletics, circuit work and throwing skills. Our PE days are Tuesday and Wednesday.
PHSE	We are learning about healthy lifestyles, including diet and exercise as the main focuses alongside continuing our work with emotions and managing our feelings.
History/Geography	Dinosaurs is a lovely topic to be exploring history and the world around us, looking at times when the dinosaurs existed long time ago.
RE	Some believe 'God created dinosaurs' - we will be reviewing our creation story and linking it to this idea, commenting and listening to different ideas and opinions of some, all which may be different and this is ok.
Art	We are learning about healthy lifestyles. This will intertwine with art as we will be creating healthy choice collages and creative pieces to represent good healthy lifestyle choices.
Music	In music, we are working on dynamics of music, listening to different music with a variety of dynamics, using visuals and symbols to support our learning. Within the day, we will encourage commenting on the volume of our voices, environmental sounds as well.
Design and Technology	We will be planning, making and reviewing healthy lifestyle lunchbox items. This will intertwine with art as we will be creating healthy choice collages and creative pieces to represent good healthy lifestyle choices.

We also learn about careers through assemblies, visitors and focused learning.

To celebrate Equality and Diversity this term we will raise awareness of and learn about the following through activities within school.
